On the 6th floor of the Norm Dicks Government Center. When you get off the elevator, stop at the first counter and tell them you have an appointment with Mark (Koontz). I'll be there too, trying to reinvent the Sesko wheel. Will it ever end?

Mark Coons (is that spelled right) called and we set a meeting for next Tuesday at 10 am. We will meet, I think, in his office. What is the location?

Ken.
